

# Jelly Bean Trade

**This game helps Busy Bees to get to know one another and feel comfortable with one another.**

## **You will need:**

- **A cup or bag for each child**
- **10 jelly-beans per child**
- **1 Question card (see below)**

## **How to play:**

- **Holding a bunch of jelly beans, each person trades beans with other group members to be the first to collect ten of the same colour.**
- **Distribute ten randomly-picked jelly beans or variously coloured sweets to each person.**
- **Distribute one Ice-Breaker question to each person. This question is what they will ask before trading a jelly-bean.**
- **On “GO,” ask your group to mix and mingle with one another with a view to trading different coloured jelly beans, one for one.**
- **As part of the trading process, each child asks their partner the question they have been assigned before swapping beans and moving on.**
- **Announce that the aim of the exercise is for everyone to collect a set of ten jelly beans of the same colour.**
- **The first person to achieve this goal wins.**
- **Upon identifying the winner(s), invite everyone to eat their treats.**
